Banner for 50 Cents!

CIRCULATE THE DOCUMENTS!

GREAT REDUCTION IN PRICE!

We will send the Banner from now until

the Presidential Election for the low price of 50 cts.

Here's a chance for every Democrat in Knox county

to get cheap reading.

The Democratic Congressional Convention

is to be held in Coshocton on the 17th day

of September next.

To the Democracy of Knox County.

The Democratic citizens of Knox county will

please take notice that meetings will be held in

the respective townships, in said county, at the

usual places of holding meetings, on Saturday,

September 6th, 1856, at 2 o'clock, P. M., for the

purpose of selecting three delegates from each

township, to meet in County Convention, in

George's Hall, Mt. Vernon, on the Monday fol-

lowing, September 8th, at 10 o'clock, A. M., to

nominate a County Ticket, and select Delegates to

the Congressional and Judicial Conventions, at

such times and places as may be hereafter

agreed upon.

By order of the Democratic Central Committee

of Knox county. L. HARPER, Chairman.

MASS MEETING AT FREDERICKTOWN.

SENATOR FUGH TO BE THERE.

We have the pleasure of announcing that the

State Central Committee have appointed a Demo-

cratic Mass Meeting, at Fredericktown, on the

16th of September, on which occasion Hon.

GEORGE E. FUGH, the able and eloquent U. S.

Senator from Ohio, will be there, without fail.

This announcement is sufficient to secure a tre-

mendous outpouring of the honest and unflinch-

ing Democracy. Let our friends at Frederick-

town go to work and get up a rousing meeting.

OUR GREAT MEETING.

We feel perfectly warranted in saying, from

our knowledge of the arrangements being made,

that our meeting on Saturday next, will be the

largest ever held in Knox county.

Col. DAVID TOD, one of the ablest stump

speakers in the Union, will assuredly be with us

on this occasion.

Gen. SAM. LAHM, another powerful speaker,

will be on hand without fail.

Several other distinguished speakers from a

distance are expected to be present.

Let the people turn out in all their strength,

so the enemies of the Union will see that their

mad schemes find no favor in Old Democratic

Knox.

HUZZA! HUZZA!! HUZZA!!!

Hon. REPUS CHAMBER, of Massachusetts, who

is acknowledged on all hands to be one of the

most eloquent and influential Whigs in the Union

has written a long and powerful letter announc-

ing his determination to support Mr. Buchanan,

for President. We shall endeavor to make room

for his letter in next week's Banner. It will

drive the last nail into the coffin of Black Re-

publicanism. The Union Sliders will hear thun-

der by and by!

All Hail, Arkansas! The Banner Demo-

cratic State—Terrible Rout of the Oppo-

sition.

Never, in the annals of party, was there such

a crushing and tremendous victory gained as by

the Democrats of Arkansas at the recent State

election. Just look at the result! The Little

Rock True Democrat says that the probable ma-

jority for Governor (Conway) will be from ten

to twelve thousand. This is equivalent, in pro-

portion to the vote polled, to more than a hun-

dred thousand majority in Ohio.

Tell, the Knox-Nothing candidate for Gov-

ernor, has carried but one out of the twenty-four

counties heard from. The Democrats have elect-

ed both Congressmen, Warren and Greenwood,

by tremendous majorities. In the lower branch

of the Legislature parties stand thus:

Democrats.....53

Know-Nothings.....10

In the Senate twenty Democrats to five Know-

Nothings. It is expected that Arkansas will be

unanimous in November for Buchanan and

Breckinridge.

at 11 o'clock, A. M.

HON. DAVID TOD,

erty. Come one! come all! Old men and

EXCITING NEWS FROM WASHINGTON!

The Reign of Terror Commenced!

AN EXTRA SESSION CALLED!

The madness of Black Republicanism (says

the *Platender*), has set in motion the ball of

Revolution! The wheels of Government, for the

first time, have been stopped, by the daring, un-

stitutional, and revolutionary attempt of a fan-

atical and accidental majority in the House, to

co-ordinate branches of the government, the

Senate and Executive, into their mad schemes.

Every effort of these freebooters to overleap

the Constitution and annul the laws of the land

has been met with coolness and calmness by the

Senate, and voted down by a three-fourths vote

of the States.

As a denier resort to rule or ruin the country,

the Higher Laws banditti of the House have re-

fused to grant the annual appropriation for the

Army at a time, too, when England is flooding

Canada with troops, and threatening us in ac-

quarters; when our whole military force is in ac-

tive service on the Pacific coast, and on our In-

dian frontier; when open and organized rebel-

lion exists in one of the States; and also in two

of the Territories; it is at such a time, and when

at the heel of a long and useless session of Con-

gress, the former appropriations being entirely

exhausted, that coercion is sought to carry

measures unconstitutional, unconstitutional and

revolutionary! True to their oaths and to the con-

stitution, the Senate have passed all the annual ap-

propriation bills in the usual form, striking out

all factious provisions aimed at the subjugation of

other departments of the government.

The President is bound by his oath to see the

Laws faithfully executed. For this purpose he is

empowered by the Constitution to call to his aid

the Army and Navy, as Commander-in-Chief. This

aid is sought to be wrested from him by the

House. It is a clear usurpation of a Constitu-

tional right, and if submitted to, will put an end

to the Government. If such a House is to coerce

the Senate, control the Executive, and command

the Army and Navy, revolution and anarchy is

to be the order of the day. And all this for what?

Simply to make John C. Fremont President,

Mariposa stock, Wm. H. Seward Government

Premier, Horace Greeley Government

Printer, and John P. Hale Attorney General. If

this great and patriotic object cannot be accom-

plished by fair it must be by foul means.

"Better reign in Hell

Than serve in Heaven,"

is the motto of these desperadoes.
